

HOW THIS REPORT CAN HELP YOU

Reveal Pakistan's Psychometric Assessment is a powerful tool that can help you make satisfying decisions about your career and education. Whether you are just starting out in your career, thinking about a change, or considering education options for career preparation, you can benefit from the wealth of information reflected in your results. Understanding your profile can help you identify a career focus and begin your career planning and exploration process.

Keep in mind that Reveal Pakistan measures interests, skills and abilities and the results can help guide you toward rewarding careers, work activities, education programs, and leisure activities – all based on your detailed analysis. As you review your profile, remember that managing your career is not a one-time decision but a series of decisions made over your lifetime.

HOW YOUR RESULTS ARE ORGANIZED

Section 1: Professional Summary

Summarizes your responses within each category of your assessment. For details, please review Section 2, 3 and 4 of this booklet.

Section 2: Vocation Finder

Describes your interests, work activities, potential skills, and personal values in six broad areas: Realistic (R), Investigative (I), Artistic (A), Social (S), Enterprising (E), and Conventional (C).

Section 3: Personality Analyzer

Analyzes your personality in detail using MBTI technique. It measures and categorizes your personality and behavior in four different dichotomies: Extrovert (E) / Introvert (I), Sensing (S) / Intuitive (N), Thinking (T) / Feeling (F) & Judging (J) / Perceiving (P)

Section 4: Career Funnel

Groups similar occupations and industries by using the technique coined by the US Department of Education. It categorizes occupations into 16 different clusters with 79 pathways to help students navigate their way to greater success in college and career.
